See side panel for additional precautions.

NET WT. QUART (0.946 liter)

Use DISAPPEAR Organic Graffiti/Adhesive Remover™ to remove graffiti paints, markers, stickers, etc. from New Dimensions GRAFFITI SHIELD SYSTEM™ and from other surfaces. This product often removes graffiti from painted walls without harming the underpaint. It does not harm Lexan® nor Plexiglass® but might affect some plastics. **Always test this product on a small inconspicuous area first to make sure that it doesn't harm the surface.**

Graffiti Cleaning: Pour, spray or brush over graffiti and wait 1 - 5 minutes. Then wipe off with sponge/rag, or lightly brush. Repeat if necessary. Some older, thick spray paints and masonry may require more soaking time and more agitation with stiff-bristled brush. When finished rinse with water. It is always best to remove graffiti within 24 hours. Do not use wire brush, or stiff-bristled brush when removing graffiti from New Dimensions GRAFFITI SHIELD SYSTEM™.

Adhesives (glues, mastic, tapes, labels, etc.): Liberally pour over area to be cleaned and let it soak until adhesives or gum softens (5-15 minutes). Peel off tapes, labels, mastic or chewing gum with a putty knife. Reapply DISAPPEAR Organic Graffiti/Adhesive Remover™ to any residue. After 1-2 minutes remove residue with stiff bristled brush. Rinse with water. Warning: This product can loosen glues of carpet backing on some types of carpets.

Chewing Gum Removal: Apply liberally over chewing gum and edge the gum off with a putty knife keeping both wet with product.

Limitation Of Liability: The user assumes full responsibility and risk in testing this product for the particular application and for determination of proper disposal method of chemical residues and cleaning implements according to State and Federal regulations. In no event shall New Dimensions Solutions, LLC be liable for consequential or incidental damages exceeding the cost of this product.

CAUTION: Harmful if swallowed. Use impermeable gloves and safety glasses since hazardous substances may be removed. Use with adequate ventilation. **COMBUSTIBLE** - Do not heat nor use near open flame.

FIRST AID: Inhalation: If affected, remove to fresh air. Eye Contact: Flush with tepid water for 15 minutes, lifting upper and lower lids. Ingestion: DO NOT CAUSE VOMITING. Drink two glasses of water. Consult Physician. Skin Contact: Wash with soap and water.

VOC (volatile organic compounds): only 294 g/l (per California VOC Regulations)
